

Important Notice Regarding Delivery Of Your Goods!!

We offer a very efficient free next day delivery service (between 08.30 and 17.00) via TNT Couriers.

Please note that you **MUST BE AVAILABLE** to sign for your goods.

If you are not in, a card will be left. It is then **down to you** to contact the depot trying to deliver your goods.

I will **not** accept any requests for refunds relating to failed deliveries which are down to the buyer not being in when we attempt delivery. Furthermore, any requests to send goods on to other addresses, or collect goods, will be charged for at £ 15 per request.

For your convenience, we can arrange delivery to your place of work, but you must leave detailed instructions, with contact phone numbers, or we can leave with a neighbour, but you must leave specific instructions.

Thanks !
